House of Representatives

September 7, 2011

Honorable James P. Moran
Of Virginia
In The House Of Representatives

Mister Speaker, I rise today to commemorate Hunger Action Month and to honor the Arlington Food Assistance Center, located in the 8th Congressional District.

Hunger Action Month was established to help inform individuals, communities, corporations and policy makers that hunger is a severe domestic issue and deserves our critical attention. The Arlington Food Assistance Center's sole mission is to feed the hungry. This important action allows their clients to make other necessary purchases, such as paying for rent and utilities, without having to sacrifice their health and nutritional needs.

Despite the fact that Arlington County is one of the wealthiest areas in the country, plenty of local residents do not have enough to eat. The Arlington Food Assistance Center seeks to remedy this problem by distributing fruit, vegetables, meat, milk, eggs, bread and other food items to those in Arlington who are in need. It currently distributes food to approximately 1,350 clients each week, amounting to 2.1 million pounds of food provided directly to Arlington families last year. About 65 percent of this food was donated from bakeries, supermarkets, farmers' markets, food drives, schools, congregations, businesses and private donors in the local community.

I would like to commend the staff and volunteers of the Arlington Food Assistance Center for their hard work providing food for Arlington's needy families and raising needed awareness of hunger in our communities.
